SUMMARY

Highly skilled front-end web developer with 3+ years of experience in building responsive, scalable, and maintainable web applications. Proficient in HTML5, CSS3, and JavaScript, with complementary expertise in graphic design, including logo creation and marketing flyers, using Adobe Photoshop. This unique combination ensures a keen eye for branding, typography, and visual hierarchy, resulting in visually appealing and user-friendly interfaces that meet industry standards.

TECHNICAL SKILLS

➢ Programming languages: HTML5, CSS3, JavaScript (ES6+)

➢ UI/UX design tools: Adobe XD

➢ Version control systems: Git

➢ Web performance optimization techniques

➢ Desktop Publishing using: Office Word, Excel, powerpoint, MS Access

➢ Responsive web design and mobile-first approach

PROFESSIONAL EXPERIENCE

Engineering Intern, Univelever Nig. Plc (2025)

Graphic Design Facilitator, Ipaja Tech. Lab(ITL) (2024)

➢ Facilitated workshops on core graphic design principles, specializing in the creation of marketing flyers and brand identity logos using Adobe Photoshop.

➢ Guided students in translating client briefs into compelling visual designs, focusing on layout, typography, and color theory for print and digital media.
➢ Instructed on the technical execution of designs, including file preparation, resolution standards, and export best practices for professional results.
➢ Led critique sessions to provide constructive feedback on student projects, improving the overall quality and market-readiness of their design portfolios.

Front-end Developer, Ipaja Tech. Lab(ITL) (2023 till date)

➢ Built multiple web applications using Vanilla JavaScript

➢ Worked closely with back-end developers to integrate RESTful APIs and ensure seamless data flow

➢ Participated in code reviews and contributed to the improvement of the overall codebase quality

➢ Collaborated with QA engineers to identify and resolve front-end related issues

EDUCATION

Bachelor's Degree in Physics Electronics, Federal University of Technology, Akure (FUTA) (2021-2026)

CERTIFICATIONS

Certified Front-end Developer in JavaScript Fundamentals, GreatStack (2024)
